PROUDLY PRESENTS

The Music of Dan Forrest

FEATURING "REQUIEM FOR THE LIVING"

Sponsored by Dr. Frank and Deb Cole

Sunday, March 10 at 3:00 pm

Our sixteenth Spivey appearance features magnificent choral music composed or arranged by Dan Forrest. An acclaimed composer, Forrest's music has become well-established in the repertoire of choirs universally. Accompanied by a small orchestra, and Spivey Hall's magnificent Albert Schweitzer Memorial Organ, the *Chorale* will transport you with glorious music. "*Requiem for the Living*", the centerpiece of this concert, is a "transcendent prayer for peace and rest, based on the liturgical Requiem texts but also interspersing other texts. From the opening Introit-Kyrie to the aggressive Vanitas Vanitatum, the heavenly Agnus Dei, ethereal Sanctus, and a deeply peaceful Lux Aeterna, this work has had a powerful impact on choirs and audiences around the world." (danforrest.com) Refreshing folk and hymn arrangements by Forrest, as well as piano and organ solos, will round out this extraordinary afternoon of great music.

NOTE: Because this concert will be recorded and quiet is required during the performance, we encourage families with very small children to attend other concerts instead of this event.
